The Best of the

This year's 1984 yearbook theme is "The Best of the Generals is Here." This theme truly symbolizes the way the student body feels toward our school. In both academics and athletics, our school has excelled far beyond our expected capabilities. We have not only met our goals, we have surpassed them in many important ways. Without a doubt, the best of the Generals IS Here!

Lisa and Lavoris love the senior life.

Mr. Trost works hard with the band.

These students at the bonfire are waiting for the activities to begin.

Generals is Here!

Some of us are great, thinks Mason Harrup.

Hooray! It's time to go home.

Who are these sexy young babes?

"I sure hope this bridge holds up," says Sara Seckman to Ann Callaham.

Student Life

The Best Dressed Generals Are Here!

W.C's clothing styles this year ranged from bandannas to turned up collars; from designer labels to concert jerseys; from mini-skirts to the "forbidden" half T-shirts. Hair styles for girls and guys alike were layered and over-the-ears. Some students returned after summer vacation with their hair some shades lighter or streaked. Popular footware for girls include short, cuffed boots, ballet flats, and Nikes, complete with friendship pins. For guys, there were western boots, shoes with Velcro instead of laces, and the ever-popular tennis shoes. THE BEST DRESSED GENERALS ARE HERE.

The newest in collars shown here by Susan Jones.

Andria Davis is strutting down the Hall.

Decked out in her party clothes is Dianetta Easley.

Proving that the ever-popular varsity jackets are always in style are Chad Seals and Marsha Crews.

Showing the latest in hair styles is Tammy Rigney.

The Best

The Best of Places! . . . Where are they? They are your favorite hangouts; the places you spend all your free time. Places such as the library are where you will find students doing everything from last minute homework to reading, talking, or just taking a nap before their next class.

Another popular hangout is the hallway. There you will mostly find students acting crazy and being loud, or doing anything else that is not permitted in the classroom.

The smoking area is another popular hangout. Here you find students flicking their bics and catching up on the news.

One of the favorite hangouts of couples is outside under the tree. Here you will find secret romantic conversations and forbidden kisses being stollen as the bell rings.

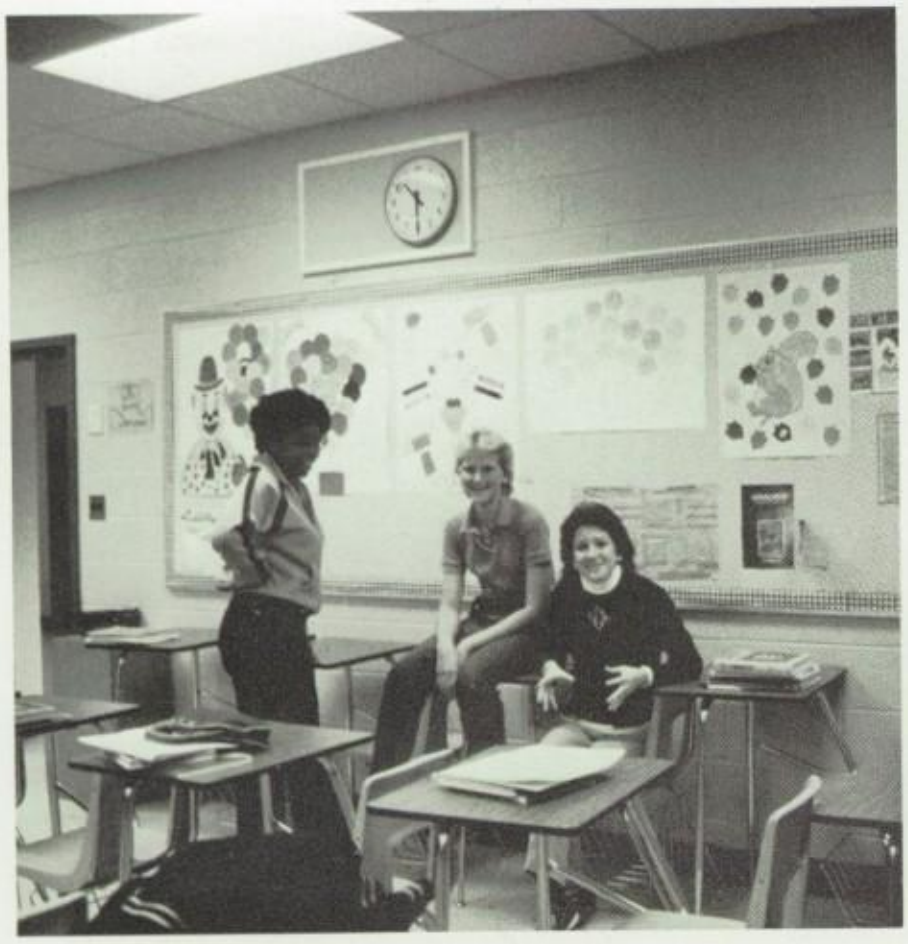
During the warmer weather you will find many students lounging around in many areas outside. The front steps are where you will see students eating picnic lunches and chatting. Other students just like to stroll along the sidewalks.

These are the "Best of Places". Here you can find the students of William Campbell.

Just getting together to chat.

Being the center of their group is Beth Melton and Gina Williams.

Of Places



"Let me explain," says Laurie Claybrook to Susan Jones and Kim Tunnell.

Hanging out in the hallway is Jonifer Snead, Jonathan Wimbush, and Oris Younger.

A quick smoke between classes.

Just doing nothing.

"This is our favorite place," says this group of students.

THE BEST OF SPIRIT

The Seniors are cutting up at the pep rally. They're making sure that they do it right and win the spirit stick.

Though pep rallies were a rarity this year, the ones held were enjoyed by all. The Class of '84 won the spirit stick for the very first time. The cheerleaders, both football and basketball, as well as the band, worked hard to raise enthusiasm. The few pep rallies were successful, with the teams enjoying victories.

Some students await the final decision on who gets the spirit stick.

The Juniors doing what they do best — being loud and proud of it.

WE'VE GOT THE BEAT

Mixed Chorus: First row: Jane Monroe, Doris Roberts, Dana Hamlette, Kelvin Fore, Ronald Schmeltzer, Pat Condrey, Kim Hendren, Tammy Rigney, Mr. Stan Trost (Director). This year's William Campbell music makers consisted of Mixed Chorus, Ensemble, and Marching-Concert Band.

The Mixed Chorus and Ensemble presented a Fall, Christmas and Spring concert. These concerts involved both singing and dancing.

The band also presented a Fall concert and a Spring concert. The Marching band performed at all the home football games during half-time. During the pep rallies, the pep band helped the students boost the school spirit.

The music makers added much to the life of our school. Way to go, Generals!

Ensemble Members: First row: Kelvin Fore, Pat Condrey, Mason Harrup, Lisa DeJarnette, Jeff Kenyon, Sandy Cheatham, Greg Sowell, Mr. Stan Trost (Director), Mandy Marstin, Wesley Yuille, Beth Williams.

The W.C. Band practicing hard.

Back again and looking good is the William Campbell Marching Band.

LOVE MAKES W.C.

It all starts with a glance. A guy notices a certain girl while in the hallway. "Hey, what is her name?", he asks nonchalantly. Next they are seen chatting casually in the classroom. The boy starts walking the girl to class. Then comes the football game on Friday night. There they are, both of them, cuddling on the bleachers. Then he drives her home. Next they are dating. Movies on Friday night and parties on Saturday night. Finally they are "going together". Then they are known as a couple. It is a long, slow process but the end result—LOVE—is well worth the wait.

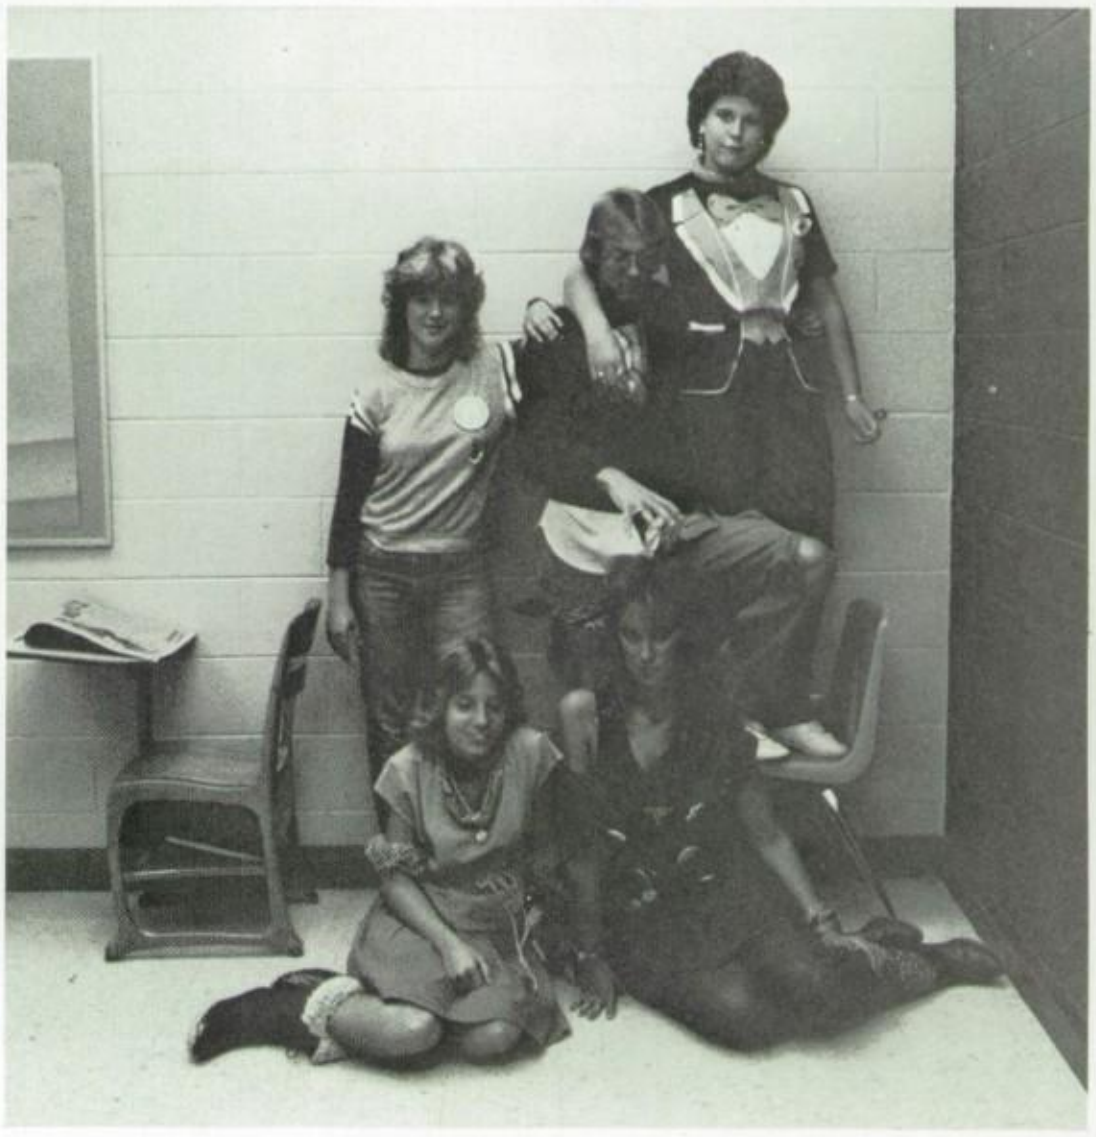
The Best Of The Generals Is Here –

This year Spirit Week was held to spur the team on to victory against Buckingham. The themes for each day were as follows:

Monday — Preppy Day
Tuesday — Dress-Up Day
Wednesday — Punk Rock Day
Thursday — J.V. Slave/Sweats Day
Friday — Blue and Grey/Varsity Slave Day

Even though the Friday night game was postponed due to bad weather, the winning spirit prevailed for a Homecoming victory!



Lisa Britton, Tracey Hughes, and Peri Pursley look dazed as Kelly Crabtree puts a spell on Lisa Erexson.

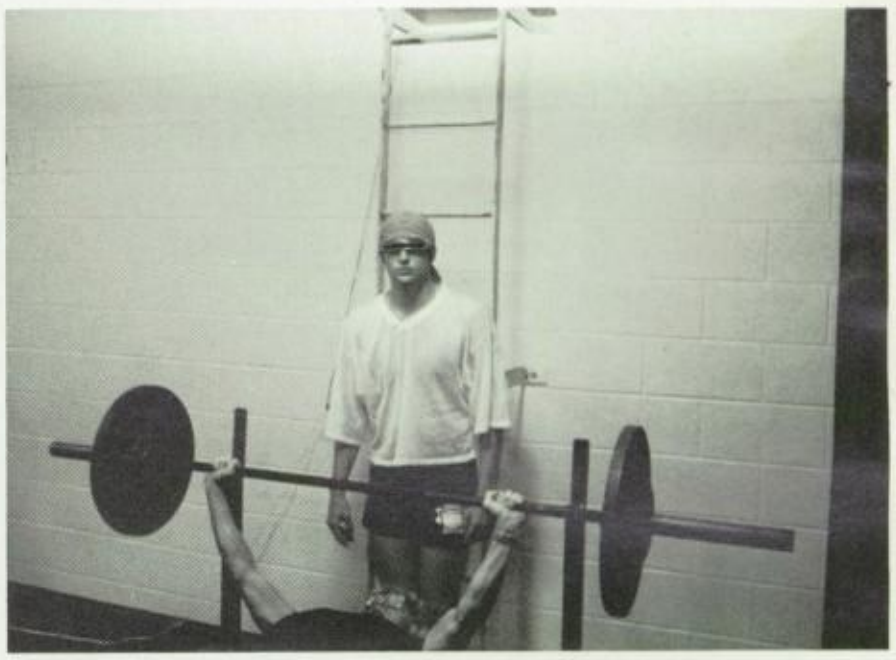
Paula Trent poses for the camera as Susan Jones laughs at the "sprout" on Paula's head.



"Who is that masked man?" asks Allen Fariss about Chad Seals.

Mr. Mattocks has a chat with one of his more unruly "students".

"I'm a total prep!" smiles Maurice Hamlette.

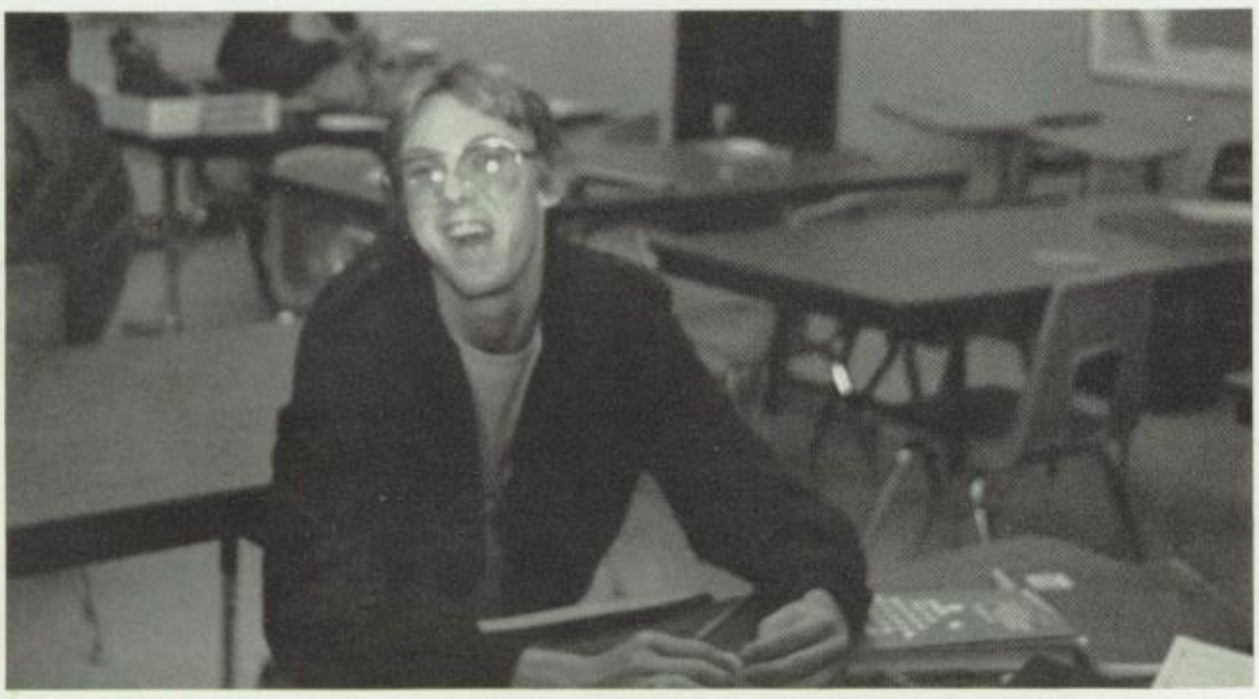
CLOWNING AROUND

Should we jump?

"Cheers!" says Dee Dee Moore.

"Oh, come on, take my picture," says Sandy Cheatham.



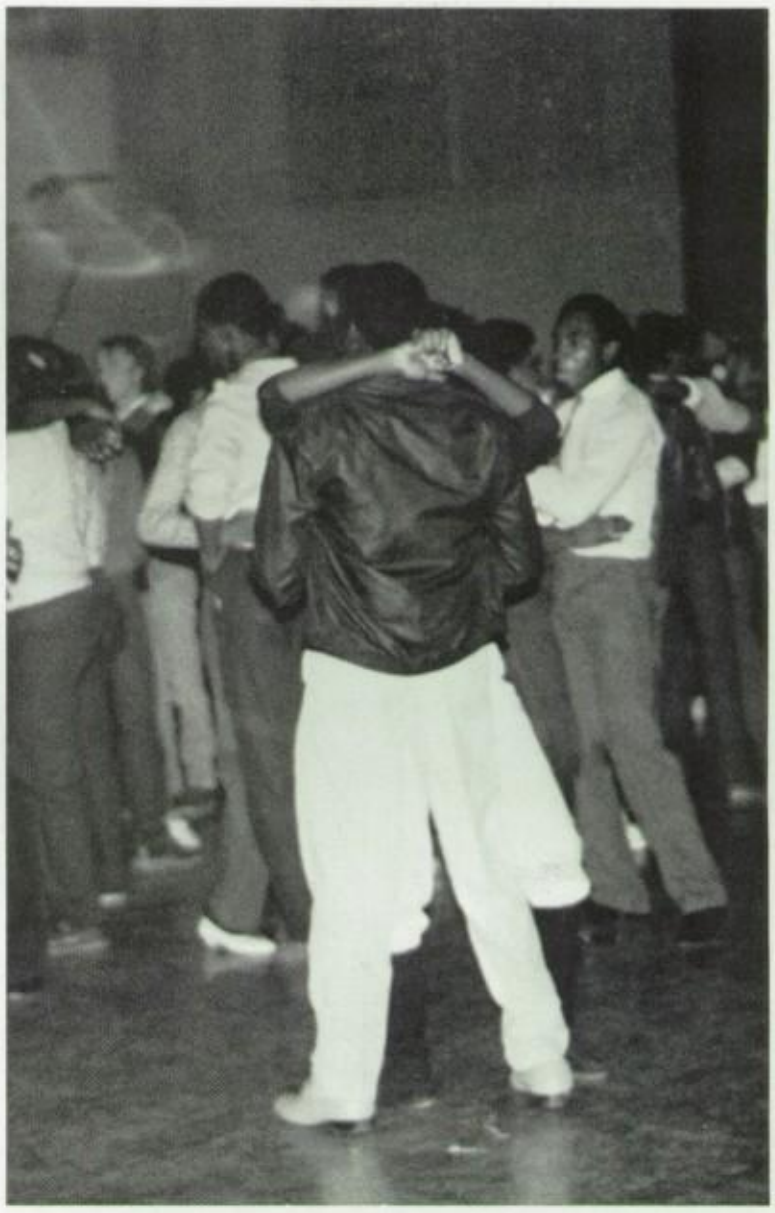
"Wakka, wakka," says Kelly Crabtree.

Clowning around is what all Generals are seen doing at one time or another, out of boredom, happiness, or just to make each class more bearable.

One never knows when an attack of the "crazies" will come on, but they're particularly popular during fourth period when everyone's stomach sounds like feeding time at the zoo. This leads to an attack of the giggles, which leads to lunch time: the best time for clowning around!

HOMECOMING DANCE

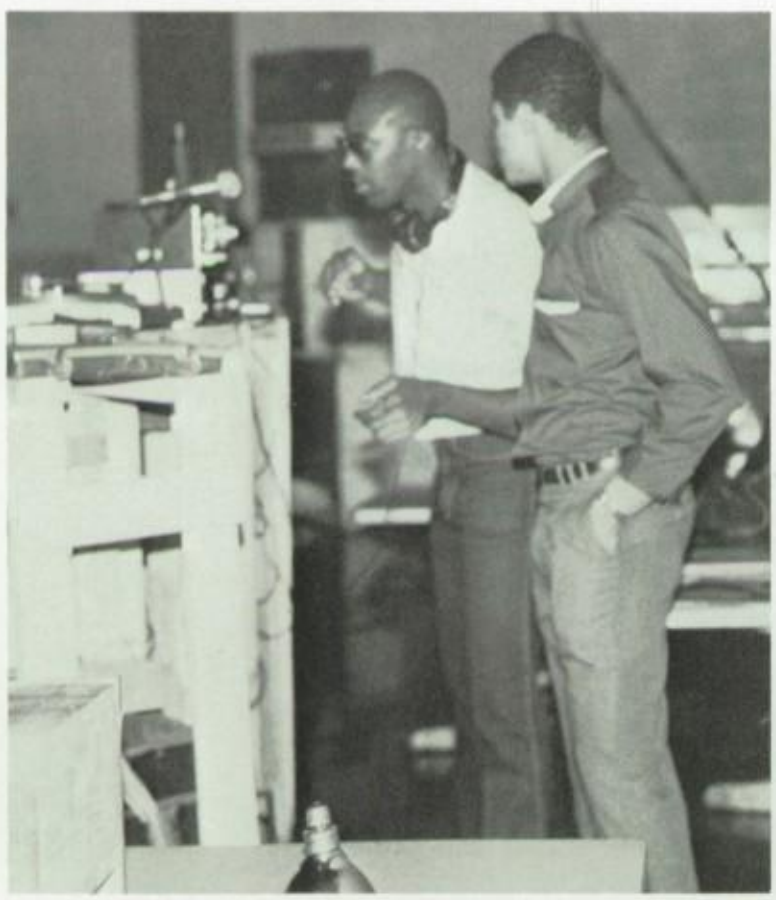
Stanley Adams takes a break from dancing to enjoy his drink.



Slow dancin, swaying to the music.

There had been delay after delay, but finally it was time for the dance. Everyone crowded into the gym. They were all keyed up from the tie game with Brookville. (14-4)

The music started and everyone hit the floor for an active two hours of laughter, dancing, and good times. Music was provided by Sir Charles from WJJS with his own brand of jamming.



The disc jockeys "set up" the next dance.

Janet Logan gets down with the unknown dancer.

SEMINOLE DISTRICT CHAMPIONS AGAIN!!

After a year of rebuilding, the William Campbell Generals football team has once more retained the highly regarded Seminole District title. Ending the season with an impressive 8-2-1 overall record and a record of 7-1-1 in the district, with the loss coming to Nelson County, the tie to Brookville, and the second loss to Laurel Park in the Region III Playoffs, was a surprising accomplishment for the team.

After a fairly slow start, the team began to improve with superb coaching. A great amount of determination, put forth by the entire team, proved also to be a determining factor.

The team received ONE HUNDRED PERCENT support from the fans of William Campbell High and Middle Schools alike, which also played a major role in the winning of the championship.

Congratulations, Generals, for a great season.

During the season, the team aides, including Dr. Campbell, the trainers and the managers contributed greatly to the success of the football team. Dr. Campbell cares for the injured while being assisted by the trainers. The managers, handy men of sorts, furnish all needed services to the coaches and team.

Cheerleaders Generate the W.C. Spirit

"I should have tried out for the cheerleading squad instead of being a football coach," says Mr. Clark.

The cheerleaders sound off while leading their team to a victory over Jefferson Forest.

The 1983-84 Varsity Football Cheerleaders: left to right, front row, Teresa Elder, Gena Elder, Marsha Crews, Lisa Elder. Back row, Lavoris Younger, Janet Logan, Lucinda Patrick, Lisa Britton, Gina Williams.

"You can do it, you can do it, we know you can" say the cheerleaders to the football team.

As you go down the halls at W.C. you always see a group of girls with smiles on their faces and spirit in their hearts, putting up posters and trying to spread spirit through our school. These are the Varsity Football Cheerleaders.

Being a cheerleader requires more than just having spirit. It requires much of your summer time, and every evening after school to practice. It is lots of hard-work, but in the end it's all worth it.

"Take our picture, take our picture" say the cheerleaders.

Our Homecoming was

This year our homecoming was "Out of this World." The time arrived for the game to start. The whole team was really pepped up and anxious to show the hometown crowd and the rest of the district that they were a very tough and hard-hitting team. This was apparent by the half-time score of 19-0.

Each girl represented a different country. Members of the Homecoming Court were dressed in fashions from their country. The girls were brought onto the field by a float decorated with flags from the different countries. As the girls were escorted off the float we were taken on a journey through each country. As the long awaited moment arrived, Mrs. Christine Crabtree, a former teacher at W.C. crowned Teresa Elder as the 1983-84 Homecoming Queen.

The game resumed and ended with a 19-6 W.C. victory!!

SODA

Student Organization for Developing Attitudes

All SODA partners must first of all participate in thirty hours of training before working with the seventh graders. SODA gives students a positive attitude toward themselves and others.

The objectives of the SODA partners are: to influence and affirm the selfworth of each individual, his importance, his loveliness, and his capabilities, To promote the personal and social growth to full human potential, To prevent mental, emotional, or social impairment, and to reinforce an individual's mental health.

Weightlifting Team

Weightlifting is into its third year at William Campbell. This group, or team, does not enter any competitions except among its own members. The members of this club consist of people interested in building up their strength for other sports. The football team makes up a large part of the team, and the strength gained by the weightlifters helps to improve their games. At the end of the year, awards are given to the members of the team who have lifted the most as well as to those who have improved and the hardest workers. "Pumping Iron" at William Campbell is now one of the biggest challenges to those who participate. The competition among the members of the club makes everyone try harder to improve their own skills.

Varsity Club

To belong to the Varsity Club, you have to have lettered in a varsity sport. The 1984 Varsity Club has new school jackets which are in the school colors of blue and gray. Being in the club is like an extra honor for participating in a school sport. It shows that you are a "General."

Looking through an old yearbook for ideas is Marsha Crews.

Seriously at work is Angela Bell.

JOURNALISM

The journalism class has a major goal and that is to have a "great" yearbook. *THE GENERAL* has been their number one challenge. Meeting yearbook deadlines is always quite demanding.

In addition to *THE GENERAL* the journalism class also publishes "The Command Post." This year's journalism team has had many accomplishments.

The Journalism Seniors take a break from all the hard work they are putting into the yearbook.

Make It HAPPEN

Here sits Lisa Exerson hen pecking on some yearbook copy.

Things get junky when you work on the yearbook and newspaper.

The sophomore year is an important year for the students. This is the year for getting your learner's permits and driver's licenses. Ordering class rings is also an exciting event for the sophomores.

Your sophomore year is the second year of being able to play Junior Varsity and Varsity Sports. This is the year that sophomores are eligible for the Beta Club.

In the last three years, this class has grown in understanding the purpose of having an education. In the next two years, we will strive to reach our goal — graduation. The sophomores are having to think more seriously about their future after high school, for the coming years of high school will go very fast. So hang on sophomores, just two more years!

OUR SUPPORT STAFF

What would we, the students and faculty, do without the staff that really makes our school?

The custodians keep the school looking clean at all times. They scrub, sweep, and dust everyday. When we leave to go home, it's the custodians that stay to finish cleaning the school for the next day.

The cafeteria workers have the job of cooking meals for the students and faculty. It takes a lot of effort to try and cook meals for over 500 students that all will enjoy. They always supply us with a nutritional lunch in both the regular lunch lines and the A la Carte line.

The bus drivers have a very big job to do. Each driver has to get up early in the morning, whether it is raining or sunny, to transport the students to school and carry them home in the evenings. Sometimes, they have to break up fights and they always have to clean the buses.

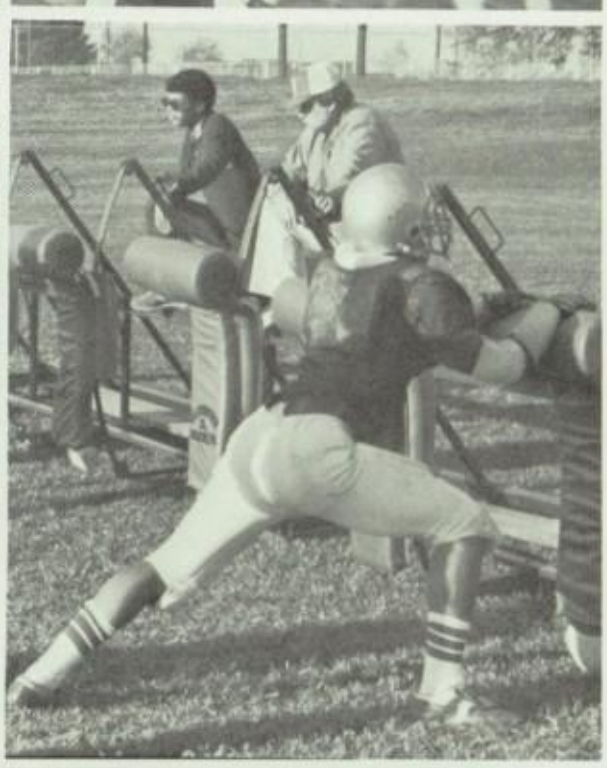
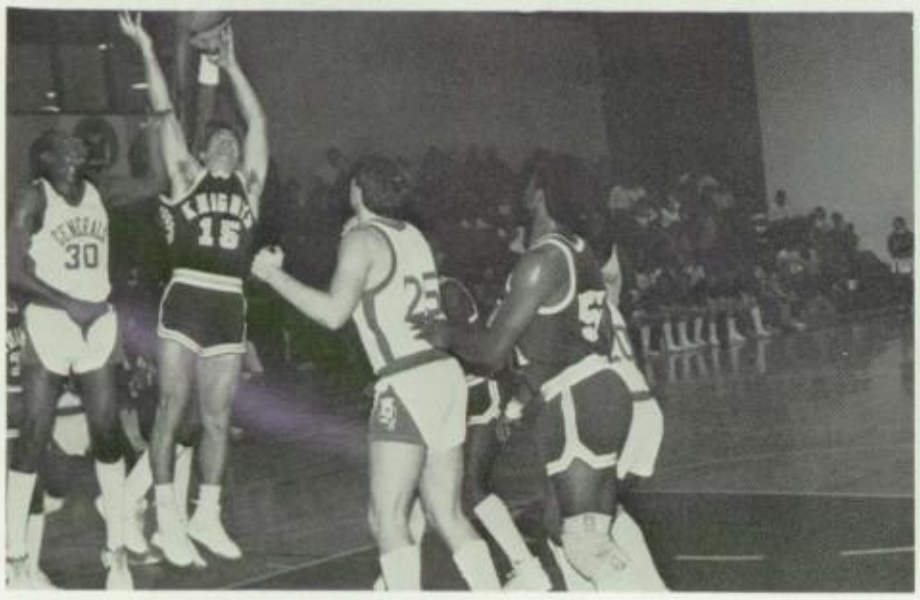
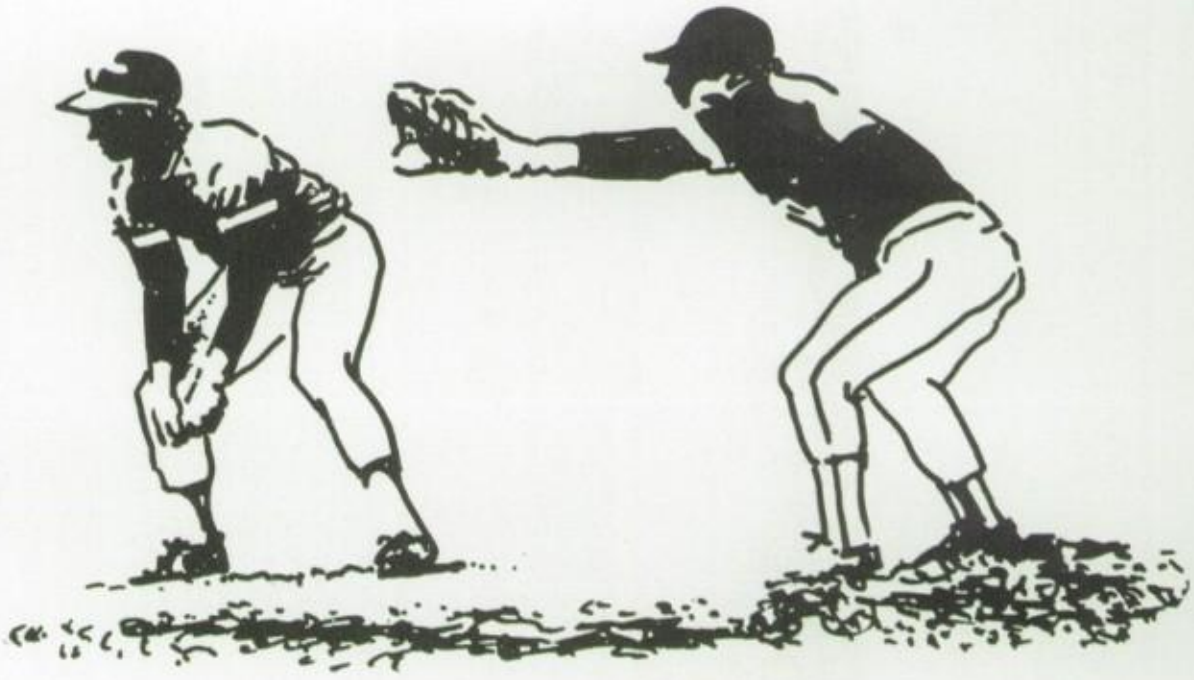
General People





Baseball is Here

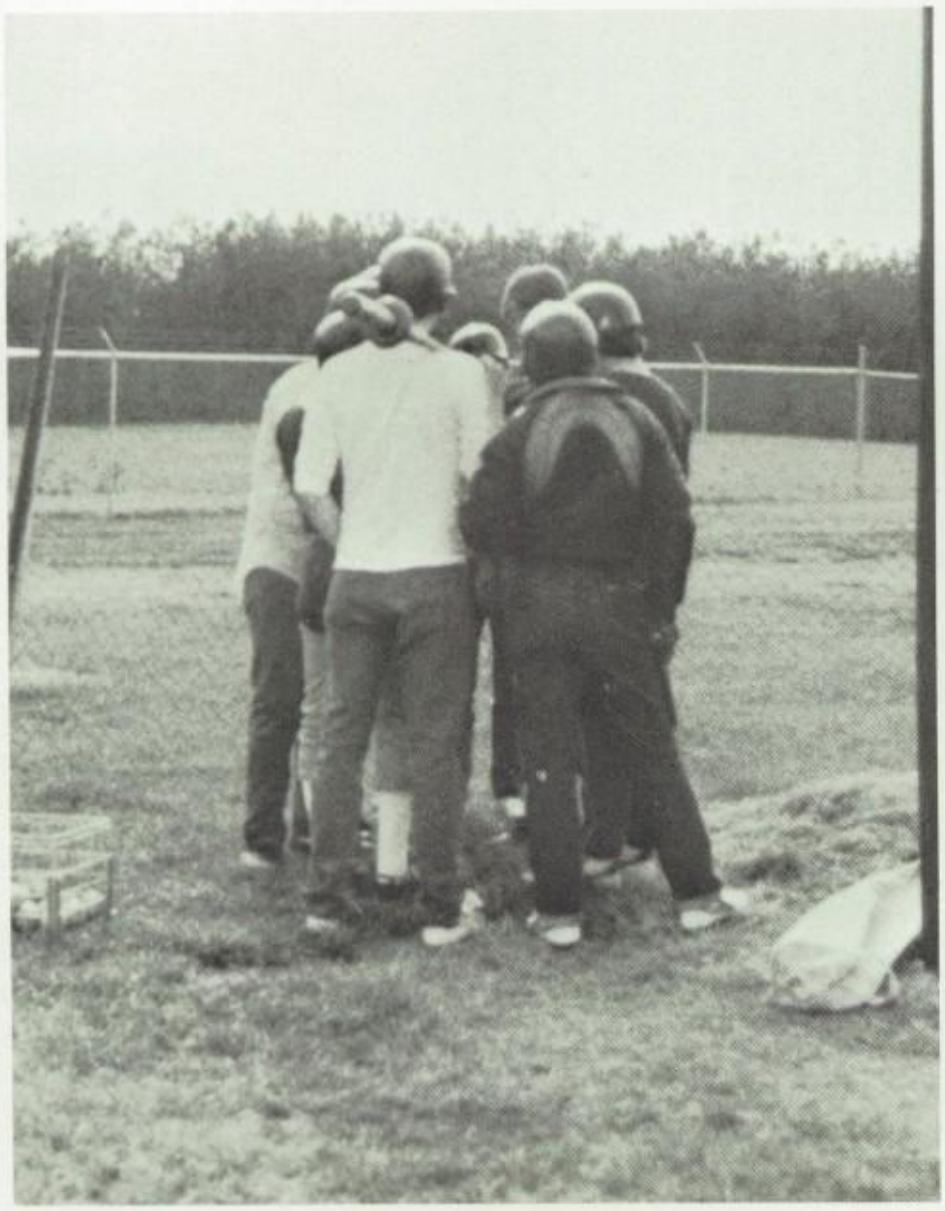
This year's William Campbell Varsity Baseball Team will rely much on the experience of returning players as well as the strength of younger players. The team consists of two four-year veterans, two three-year players, eight two-year players and four newcomers. Coach Seals says that the team shows lots of potential and team play. The team is being led this year by the two senior captains, Kelly Crabtree and Chad Seals.



Walter Smith is down and ready for a line drive.

Loosening up and getting ready to bat are a few of the baseball players.

Batter Up!



In a huddle are a few of the players discussing with their coach, Ernie Seals, some strategies for the upcoming game.

Jamey Mason is showing his ability to be a catcher.

Scott Disher is showing his batting stance.
